*Everyone Matters - Toowoomba, A Model City of Peace & Harmony*

May 2014, Issue 28

Vesak Day will be celebrated in Australia on the 13 May 2014 to commemorate the Buddha's birth, enlightenment, and death. The Buddha lived in an area now in India and Nepal between the sixth and fourth century BCE, and his teachings focused on messages about compassion, peace, and goodwill.

In keeping with this spirit of goodwill, and to strengthen cohesion and promote greater trust, Pure Land Learning College Association has organized a number of programs in collaboration with several organizations. The following are some of the programs.

*A forum titled 'Benefits of Interfaith Dialogue' jointly organized with Toowoomba Churches Together on 29 March 2014*

*'Silence for Peace' meditation workshop jointly organized with World Community of Christian Meditation and The Goodwill Committee of Toowoomba on 2 April 2014*

*A call on Uniting Church Queensland Synod Interfaith Relationships Committee (SIRC) by The Goodwill Committee of Toowoomba on 10 April 2014*
