

Everyone Matters - Toowoomba, A Model City of Peace & Harmony

**PURE LAND LEARNING COLLEGE ASSOCIATION INC
MULTI-FAITH MULTICULTURAL CENTRE**

The collective efforts of the diverse community in Toowoomba coming together to promote peace and harmony is inspiring.

The year 2014 has been exciting and fulfilling for the communities. Forums, community engagement dialogues, workshops, educational tours, and the weekly Saturday friendship dinners drew very good support across the different segments of the community.

These efforts demonstrate the stature of Australia as a nation that embraces multicultural diversity. The vision of helping to establish Toowoomba as a Model City of Peace and Harmony is in progress. Here are some of the highlights to demonstrate this vision in the making.

A message from Venerable Master Chin Kung, "I wish everyone a Merry Christmas and a Happy New Year. Thank you for your support. We look forward to continuing this journey together in 2015. I wish everyone happiness, peace, and love in this festive season."

Strengthening bonds and trust with the community

Promoting better understanding of faith and culture through education

Community engagement dialogues and forums
