Ancestral Remembrance Service

In our world, there exists a diverse array of cultures, with each culture displaying their own characteristics. With each generation living neatly in order, all of us inherit the traditions of our ancestors and the previous generations, forming a lineage of filial piety. Among all the virtues in humanity, filial piety is the foundation of them all.

For the very first time, the Ancestral Remembrance Service was held in London on 25 and 26 June 2016. The significance of the service is knowing and returning our ancestors' kindness, inheriting the past, and inspiring the future.
