Harmony Tour to Places of Worship

As part of giving our youths the opportunity to understand the various faiths in Australia, the Multi-faith Multicultural Centre organized a complimentary Harmony Tour for students in Grades 5 – 6 to visit four places of worship. Below are some snapshots taken on the day!

- The tour began at Pure Land Learning College Association, where Venerable Wu Chin gave an introduction on Buddhism and also led the students in a walking meditation.-

On 27 of April I was honoured to receive students from Toowoomba at the Brisbane Hebrew Congregation Synagogue as part of the Harmony Tour. Students from Holy Name Primary School, Darling Heights State School, St Monica's Catholic Primary School and Wyreema State School participated in the visit.

I was impressed with the questions and their level of knowledge of Judaism. They covered a wide area of topics and the respect the students displayed was impressive. I would like to thank the volunteers from Pure Land Learning College Association for accompanying the students and for organizing the event. Most importantly I would like to thank the students who asked so many questions and participated in the visit with enthusiasm. I look forward to the next tour.
