

Toowoomba – A Safe Community

Toowoomba is now part of the Pan-Pacific Asia community of Safer Communities. It was officially recognized as a Safe Community, after gaining international accreditation by the Australian Safe Communities Foundation. As part of the final assessment, Dr Dale Hanson visited several organizations and groups in Toowoomba, including the Pure Land Learning College Association.

Members of the Goodwill Committee of Toowoomba (GWC) and the Toowoomba Interfaith Working Group (TIWG) were present to receive Dr Hanson. There was a presentation on the work of the GWC and the TIWG followed by a Q&A session. This is one step closer towards Toowoomba becoming a model city of peace and harmony.

On 11 April 2018, the GWC was invited by both the Toowoomba Lions Club and the Toowoomba City Lions Club to present its work in promoting social cohesion. The presentation followed with a discussion on how the Lions Clubs and the GWC can collaborate to make Toowoomba a better city.
