The Pure Land Multi-faith excursion was one of the most enjoyable and influential excursions we (year 10 students of Centenary Heights SHS) have ever attended. The multi-faith day was a fun-filled educational day full of sharing and warmth where we were invited into three different places of faith. The Bahia's, Buddhists and Mormons made us all feel welcome and helped us ponder humanity. It was a marvellous opportunity to learn beyond our own faiths and what is taught in the classroom. The endless flow of knowledge and quality resources was enough to put a smile on everyone's face.

We believe the one thing that everyone loved and appreciated was the gorgeous food (not to mention the cupcakes!). It surely was a great and enjoyable experience we will always be grateful for. The hosts were open to questions and took the time to efficiently answer. The different religions opened up deeper knowledge that should be shared. In summary, we are so thankful for the opportunity to attend such an informative and fun day!
