EVERYONE MATTERS - TOOWOOMBA, A MODEL CITY OF PEACE & HARMONY

February 2019, Issue 84

*Welcoming the Year of the Boar with the community Association, with the Lion Dance, multicultural performances and our special guest, USQ Chancellor Mr John Dornbusch*

Lunar New Year is widely celebrated by many Chinese around the world. It marks the beginning of a new year on the lunar calendar. Traditionally, Chinese families will do a thorough cleaning of their homes to sweep away misfortunes and to make way for good blessings to come to their family in the new year. On the eve of the new year, all family members will travel back home to get together for a reunion dinner.

At the Pure Land Learning College Association, we celebrated this festive season two weeks in advance in the hope that our friends in the community would be able to partake in this joyous occasion with us and also for Chinese families to have reunion meals with their families on the actual new year's day. We wish that this new year will bring you and your family good health, peace, wisdom, happiness and many good blessings to come!
