

Harmony Tour

Students from Darling Heights State School, Harristown State School, and St Monica's Catholic Primary School participated in a one-day learning journey on 29 March 2019 to visit three places of worship. For the students, this was their first visit to a synagogue, a Sikh temple, and a Hindu temple. The visit provided an opportunity to understand the various faiths in Australia and also to experience how those particular cultures and faiths promote living in harmony with others in Australia.

Under the Sky Youth Dialogue

'Under the Sky Youth Dialogue' is a newly established initiative that has been developed by the Toowoomba Youth Peace Group, in order to give young people the opportunity to connect with people of similar ages in a casual setting, and to help the youth discover their values and attitudes in life, and be inspired into action for a harmonious future. Different discussion questions are brought to every meet-up to spark deep and meaningful conversations. These questions often revolve around the idea of self and identity, and how these fit into the current events of the

world. The concept for this initiative was based on core human values of acceptance and empowerment. The hope is that young people will understand the importance of their opinions and voices. We hope to see you and your friends at the next meet-up!
