

Jingeri Meet and Greet 19th March

Group Photo of Garulbo Committee, Council and members of the community

On the 19th of March, members of the Garulbo Committee, the Toowoomba Regional Council and fellow community members gathered together for a Meet and Greet that will lead to our Yumin Bah First Nations conference, a first of its kind in our region. The chair of Garulbo, Kim Walmsley, spoke passionately about the actions and initiatives of the committee to bring our country and our community together.

The definition of Garulbo means 'Altogether', and the committee strives to create and provide a platform allowing for a culturally safe space to learn, share and understand. The Garulbo Committee initiative was formed to create and develop relationships with our First Nations people, traditional custodians and cultural leaders, educators, connectors, storytellers and healers. We acknowledge the contributions of the First Nations people in our country and our community, as we spread awareness and understanding of their history and the knowledge they hold.

The conference is jointly organised by The Traditional Custodians, The Jarawoir and Wakka Wakka Nation, our elders, community and the Pure Land Learning College Associated Inc. Book your place for this upcoming exciting event:
