

MFMCC and Ming De International School's visit to Singapore and Taiwan

Earlier this year in April, our small group from the MFMCC office and the Ming De International School visited two schools in Singapore and Taiwan.

The first stop was to Blangah Rise Primary School and Wellington Primary School in Singapore. It was very interesting to learn about the education systems in Singapore and the Character and Citizenship Education (CCE) program. These CCE play a significant part within the school curriculums in Singapore. The curriculum content of CCE is based on the three big ideas of Identity, Relationships, and Choices, and comprises the teaching and learning of core values and social-emotional competencies with a focus on developing a sense of purpose in students. We thank both schools and their principal for such a wonderful learning opportunity and their warm hospitality during our visits.

The first place of visit in Taiwan was to Hong Ming School in MingJiang Township, Nantou. Below are some insights into Hong Ming's special cultural curriculum from traditional music to dancing, singing, martial arts and more. We admire the respect and values of the school and hope that similar system could be adopted and adapted in Ming De International School. We would like to thank the principal Mr. Zhang and his team for their wonderful hospitality over the two days of visit.

During the stay in Taiwan, the delegation also had the honour to visit Hong Ren Preschool, Dali Primary School and Hwa Dzan Experimental Primary School. See below for some amazing pictures taken during the visits.

Hari Raya Eid-al-fitr Celebration

In April, we celebrate the Hari Raya Eid-al-Fitr, which is the day that marks the end of Ramadan, the Islamic holy month of dawn to sunset fasting. In Eid-al-Fitr, a traditional activity among Muslims especially children are Eidi or Ediya which is the tradition of exchanging gifts. The Prophet Muhammad (peace be upon him) encouraged this practice saying, "Give gifts to one another, you will love each other" (Hadith, Al Mufrad).
